

Business Acumen Workshop

Comprehensive Skill Building
for Business People

LEADERS RELY ON BUSINESS PEOPLE to see the big picture and get things done. They want mindset and mojo, all in one! The problem is that all business people aren't wired that way, and that's where the Business Acumen Institute comes in. The Business Acumen Institute focuses on one thing, and one thing only: to make business people better so they can collaborate, solve problems, execute on strategy, and deliver results to the firm.

THE BUSINESS ACUMEN WORKSHOP IS FOR PEOPLE WHO ARE:

- ✓ New to a company and need to understand how the gears of a company work
- ✓ Moving into a business role from a non-business functional role
- ✓ Managers who want a refresher on business acumen, or who are being readied for a leadership roles

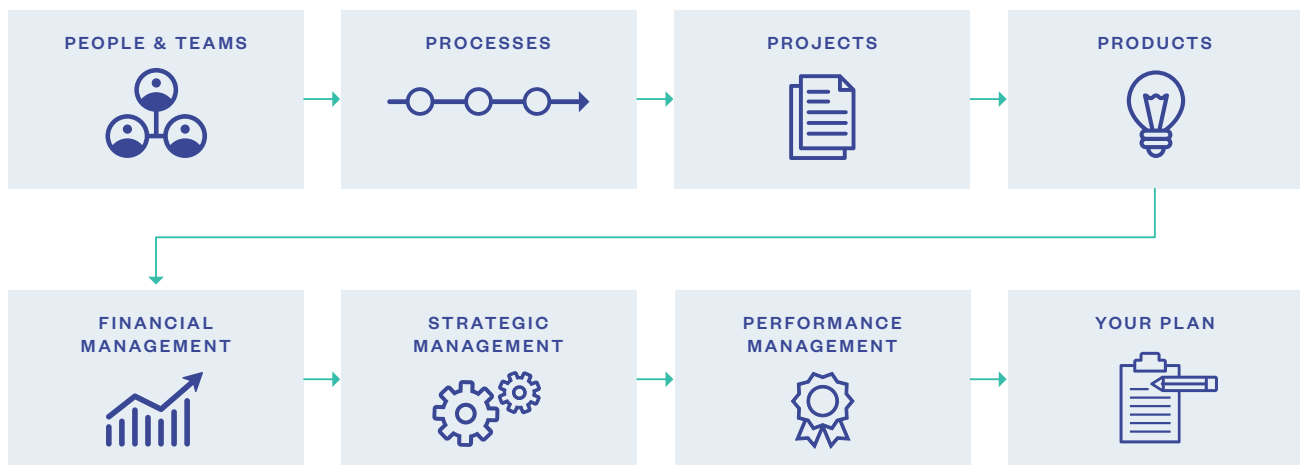

Workshop Goals

The main idea behind this interactive workshop is to help managers understand the pillars of their company's business, and to operate more effectively and efficiently.

AFTER COMPLETING THIS WORKSHOP, PARTICIPANTS WILL BE ABLE TO:

- Understand and apply the dimensions of business acumen that focus on people, processes, projects, and products so that everyone sees the "big picture of business."
- Incorporate finance, strategy, and performance management into your professional mindset.
- Develop a model for how to effectively communicate with, and influence others.
- Understand complex situations, evaluate facts and data, and make better decisions.
- Create a purposeful career and professional development strategy
