BAN BUSINESS ACUMEN INSTITUTE

Business Acumen Essentials

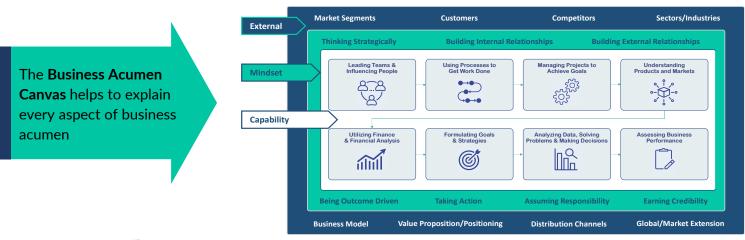

Workshop and Certificate Program

Today's imperative for emerging leaders and their teams is to think strategically, act with agility, and contribute to the company's bottom line. Emerging leaders and managers are urged to influence people, collaborate, solve problems, and ensure they help the company achieve its intended goals. That's a lot to do when there are so many tactical demands.

This is a workshop for emerging leaders and managers who need to learn how to have a greater impact on the business or recalibrate their managerial careers. It's also a workshop that serves as the pivot point to unlock potential and secure a future in the modern organization.

BENEFITS

- Viewing elements of business on a granular level, and then from a systemic, holistic standpoint.
- Utilizing the Business Acumen Canvas to portray every aspect of business acumen.
- Learning how to assume a "market first" strategic perspective in decision-making.
- Adopting a critical-thinking mindset to identify and collaboratively solve problems.
- Understanding how the company's products contribute to its competitive advantage.
- Leveraging storytelling to garner support and paint portraits of the future.
- Cultivating a 'business owner' mindset.
- Eligibility for the business acumen certification exam.

THE BUSINESS ACUMEN HANDBOOK

The Business Acumen Essentials Workshop is based on the industry defining book from BAI's founder, Steven Haines.
